

BRADLEY N. ST. CLAIR
ASSISTANT COUNTY ADMINISTRATOR
755 Roanoke Street, Suite 2E
Christiansburg, VA 24073

March 14, 2023

I have had the pleasure of working jointly with Sherwood Wilson for a number of years in service to our respective communities. As interim director of the New River Valley Emergency Communications Regional Authority I worked closely with Sherwood on several strategic initiatives. Sherwood's experience and guidance provided as a member of the NRVECRA Board of Directors greatly enhanced our ability to lead productive change within the organization.

Upon identifying an imperative need for external guidance and assistance in my role as Assistant County Administrator for Montgomery County, the Sherwood Wilson Group was contracted to provide a comprehensive operational assessment of our information technology department. Sherwood has been instrumental in helping our organization navigate a change of leadership within our executive team. His knowledge and experience in managing human capital while evaluating complex operational processes have proven invaluable to our staff. Sherwood's mentorship and guidance to members of our executive team has made a profound impact on their development as leaders within our organization.

With years of experience managing complex issues combined with an exceptional ability to relate with staff, Sherwood has proven to be a valuable asset to our agency. I would recommend the Sherwood Wilson Group to anyone seeking to enhance the efficiency and effectiveness of their organization.

Sincerely,

Bradley N. St.Clair
